

## Liste des caisses ouvertes

### 1. Consulter la liste des caisses ouvertes

Dans la barre de menu, cliquez sur le bouton [Caisse] → [Liste des caisses ouvertes]

Une fenêtre [Liste des caisses], vous affiche la liste des caisses ouvertes.

The screenshot shows the MONEY PDV v3.2.09D software interface. The main menu bar includes Fichier, Stocks, Achats, Ventes, Caisse, Gestion, Outils, Administration, Fenêtres, and ?. The title bar indicates the application is running on a 64-bit Windows system with a Demo PDV database and the current user is Administrateur.

The main window is titled "Liste des caisses". It features a table with columns: Intitulé, Ouverture, and Ouvert Par. The first row shows "Caisse N°1" opened on "25/07/2018 10h05m" by "Administrateur". Below this table is a "TICKET X DE CAISSE" section with a red "X" button.

On the right side of the window, there are two detailed views:

- Fonds de caisse (Espèces)**: A table showing the opening cash balance and calculated cash balance. Both are listed as "1 388,00 €".
- Règlement**: A table showing a single row with "Qté" and "Montant" columns, both empty.
