

## Débiter une cagnotte client en caisse

### 1. Débiter une cagnotte client en caisse

-1- Effectuez une vente pour un client précis.

**Attention: le client doit avoir un crédit cagnotte.**

-2- Pour le règlement, cliquez sur le bouton [Cagnotte].

The screenshot shows the MONEY PDV software interface. The top menu bar includes options like Fichier, Stocks, Achats, Ventes, Caisse, Gestion, Outils, Administration, and Fenêtres. The header displays client information: CLIENT: MICHEL FRANCOIS, Vendeur: Administrateur, Attente A000067, and a total amount of 34.00 €. The central area shows a list of articles with columns for Qte, Désignation, and TV. A pink circle labeled '1' highlights the 'ARTICLE' button in this list. The right-hand panel contains various payment options, including 'CAGNOTTE', which is highlighted with a pink circle labeled '2'. The bottom of the interface shows a summary of the transaction, including 'A PAYER 34.00 €' and 'Total Règlement 34.00 €'.
